## From Principal's Desk

*It is the matter of immense pleasure for me & my team to get this newsletter released to highlight the achievements, aspiration and presents the most effective outlet for creativity of our students of primary wing.*

*I want my students to be confident, courageous, competent, candid, caring and god fearing. For etching these qualities in their character various activities are arranged in the primary section so that the development of the personality of the students starts at an early stage so that their personalities will match global scenario.*

*I wish the very best to the KV No-4 Primary wing for the onward march towards a glorious future.*

## FROM VP'S DESK

*Each child has his own unique qualities and as educators it is our responsibility to nurture and develop every learner in their formative years. Our students are groomed from a very early age to foster respect for diversity. The newsletter is one such platform to help young minds to increase their potentialities by embarking on a progressive journey. I congratulate all the primary teachers and dear children who have put in their efforts to give shape to this newsletter,*

*Sh. Dinesh Kumar  
Vice Principal*

# From HM'S Desk

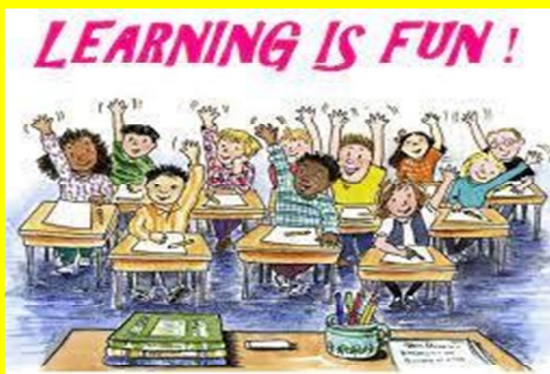

*What you shall find in the ensuing pages is not the work of an individual but the efforts of a team that have worked as one with a common purpose—strive for excellence. This would not have been possible without the overwhelming response of the students who are keen to participate in co-curricular activities, the dedicated and infectious enthusiasm of the Principal, who has been a constant support of inspiration and guidance.*

*I wish to inculcate the feeling in my students that it is only through your work that you can blossom to your full height.*

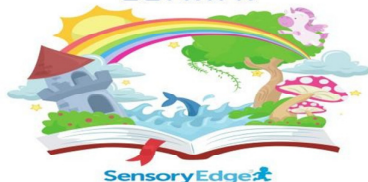

*With best wishes.*

*Smt. Rajni Sharma*

*Head Mistress*
